The Dismissal

*All baptized Christians are invited to receive Holy Communion. You may stand or kneel. Those who are not baptized or do not wish to receive Communion may come to the Communion rail for a blessing, indicated by placing crossed hands over the chest. We do not encourage the practice of intinction (dipping the bread into the chalice). Medical studies have shown that more germs are passed from fingers than from sharing a common cup. If you do intinct, please make sure that your fingers do not touch the wine and if you have a child receiving wine by intinction, please dip the bread for them.*

*Gluten free wafers are available. When at the altar rail please inform the clergy person with the bread that you would prefer one of these.*

*If you are unable to walk to the Communion rail the priest will gladly bring Communion to you. Please let the usher know if this would be helpful.*

If you have completed the form on the reverse flap, please tear at the perforation...

...fold and place in the Collection Plate or you may give the form to the Usher. Thank you.
